

# 100% ONLINE SPEECH AND LANGUAGE INTERVENTION

## Babble Boot Camp for infants with Down syndrome

We are looking for infants with Down syndrome and their primary caregivers to participate in a research study on a proactive speech and language intervention.

For more information, contact Linda Eng at [babblebootcamp@gmail.com](mailto:babblebootcamp@gmail.com) or Dr. Beate Peter at [babblebootcamp@asu.edu](mailto:babblebootcamp@asu.edu), (206) 713-5839

10 months of  
intervention

Free to participate

Completely over  
Zoom!

To participate in this  
study, children must  
meet these criteria:

- ✓ Birth to 12 months of  
age
- ✓ Born no earlier than  
34 weeks gestational age
- ✓ Available to participate  
for the full duration of  
the study
